### FROM THE PRESIDENT

We are now preparing for our Annual General Meeting and, in accordance with the Club's constitution, nominations for committee members should be submitted to the Secretary by the close of the July General Meeting.

If you know a member who is willing to share their computer skills and knowledge, see if they would be willing to contribute to the Club as a committee member.

### JUNE MEETING

In her very informative presentation entitled "Cost of Living", Renee McElroy, a Cost of Living Specialist at the Service NSW Miranda Service Centre, told us about the rebates and savings available for NSW Government Services. Cost of Living Specialists are also located at Service NSW Hurstville and Rockdale Service Centres.

Details of rebates and savings are available online at <http://www.service.nsw.gov.au> or, if you need more assistance, book a free one hour appointment with a Cost of Living Specialist.

More than seventy rebates and savings are available for eligible residents under the following categories:

- Driving and Transport
- Energy and Utilities
- Children
- Health
- Concessions

All tutors are invited to attend this month's Committee Meeting at 10:00 am on Wednesday 31 July 2019

### JULY MEETING

At our July meeting, Anne Buhagiar from Creative Vision Industries will tell us about "Be Connected", an Australian Government initiative to improve older Australians' digital literacy.

"Be Connected" offers a wide range of online learning content, with community support, to help seniors become confident users of personal computers, smartphones and tablet computers.
